

## Australian Communications Exchange (ACE)

### ATTENTION ALL RELAY OFFICERS MEETING NOTICE

**As you will be aware, the negotiation process for a new Australian Communications Exchange Collective Agreement will be commencing soon. Your Collective Agreement sets out your wages and conditions for the next few years, therefore it is important that all Relay Officers are kept informed and updated on the progress of the negotiations.**

Earlier this year your union surveyed members to identify items that were important to them in relation to their Collective Agreement. To ensure that your views are best represented, your union is holding workplace meetings to endorse the issues you would like to have negotiated in your new Agreement. All Relay Officers are urged to attend one of these meetings.
