Voluntary Redundancy

Expressions of Interest have been circulated amongst administrative staff by management.

These Expressions of Interest deal with, amongst other things, a voluntary reduction in working hours. The form (*pictured on the reverse side of this page*) that management has distributed to admin staff indicates a return date by Friday 29 July, 2011.

Members are alerted to the fact that the Expression of Interest is a **voluntary process only** and that there should be no pressure for you to agree to sign the form.

At a meeting tomorrow with management, your union representatives will raise concerns that there has been pressure applied and that admin staff are under duress to complete the form.

Your union will seek from management an extension for the completion of the form, of one week, along with the opportunity for your union representatives to meet with staff in the employer's time to discuss this matter with them.

If you have any concerns, please contact the union office on 3844 8402 or email: info@qld.asu.net.au
