Industrial Action at Heinz-Golden Circle Northgate

The CFMEU, the ETU, and the AMWU have recently made an application for a protected action ballot.

This means that the Unions have made an application to Fair Work Australia for their members to vote on whether they support taking protected industrial action. As the application was successful the members will now be voting on whether they want to take protected industrial action.

This step has been taken in relation to the current negotiations for your new Collective Agreement.

The ASU needs to discuss this matter with you.

Your ASU Organiser will be holding a workplace meeting on **21 July, 2011** to discuss this with ASU members. Please ensure you are able to attend this meeting so that we can find out what you want to do.

For further information in relation to this meeting, please contact your ASU Organiser, David Malcolm on 07 3844 8402 or alternatively email: info@qld.asu.net.au
