Members now have a new Agreement, but only after a long and protracted negotiation process. This Agreement does not address all of your claims, however, it does provide a wage increase of 3.7% to be paid from 1st October, 2011 and a second increase of 4% to be paid in 2012. These are good wage outcomes in the current environment.

### Congratulations to Union Delegates

Appreciation and thanks must be extended to union Delegates Beth Barnes, Wayne Bald, Annette Roberts, Jenni Lawes and Noeleen Blatchley for their hard work and dedication in negotiating a new Agreement for ASU members.

Your hard working Delegates put in many hours of their own time in negotiating your new Agreement with UCH management and holding meetings to update ASU members on the progress of enterprise bargaining. Their commitment on behalf of ASU members is reflected in the positive wage outcomes delivered in this Agreement.
