Wage Increase Due

As a result of your involvement in enterprise bargaining for your first Union negotiated Collective Agreement, ASU members should note that the next pay increase you negotiated in your Collective Agreement is now due to be paid.

The increase to be applied to your wages is 3.3% and is effective from **1 June, 2011**. This is a great outcome for our members at Menzies Aviation Services.

All members are asked to double-check their payslips and advise your co-workers to check theirs as well, so as to ensure that the pay increase has been applied correctly.

If you want to know exactly how much your wage should increase or to find out more information regarding your Collective Agreement, please contact the ASU Office on 3844 8402.
