

Vote YES

For your new agreement at Slater & Gordon - 2nd December - 9th December 2011

Negotiations are over, the agreements have been put together and now it's time for you to have your say and vote.

Your union—the **ASU**—with your ASU delegates and ASU members at Slater & Gordon have worked hard over the last few months to get your new agreement to the point it's at today.

Thanks ASU members and delegates for all your work!

We encourage all employees to vote in favour of the new agreement. We're pleased with the outcomes of this agreement and even more pleased that we were able to secure entitlements early for employees, including:

- back pay
- improved parental leave entitlements
- shut down leave for support staff

VOTE YES to secure these and other new entitlements for us all

Still not a member?

Your colleagues at Slater and Gordon have worked hard as union members and delegates to deliver this new agreement. We can only secure these and other improvements to pay and conditions by keeping the union strong, and that means making sure we're all members.
