Collective Agreement Survey for Administration Staff Employed at Blue Care and Wesley Mission

Your Collective Agreement covering Administration staff at Blue Care/Wesley Mission is due to expire on the 31 December, 2011.

This means that the wage increase that you received on the 1st July, 2011 was your final wage increase until negotiations for further increases have been undertaken.

However, before the negotiations commence your Australian Services Union (ASU) representatives would like to provide all administration staff the opportunity to complete a survey.

This intent of this survey is to encapsulate the improvements, priorities and issues that affect you in your workplace and that are important to you.

Do you know who your Workplace Enterprise Agreement Negotiating team members are?
