

CHILD SAFETY & YOUTH JUSTICE — QUEENSLAND WIDE

We are stopping work for a brighter future.

Together 
BRANCH OF THE ASU

FRIDAY 25 SEPTEMBER STOP WORK AT 2:30PM

You do this work short staffed, with vacancies nobody fills, carrying a workload that was never built for one person.

The Departments are still yet to move at the EB table on the claims that will deliver a brighter future for you and the community you serve.

On Friday, union members right across Queensland will stop work at the same time. Across the state union members will be going to MP offices to seek they take action to deliver for you and your colleagues.

WHERE TO GO

Find your location on the next page.

Event starts 3:15pm. Leave at 2:30pm so you have time to get there.
